

**Ministry of Environment
and Food of Denmark**
The Danish
Agricultural Agency

Seed Report 2018

**Derogations given in Denmark to use seed, seed potatoes
and other vegetative propagating material not produced by
the organic production method in organic farming.**

Commission Regulation (EC) No 889/2008 of 5 September 2008 laying down detailed rules for the implementation of Council Regulation (EC) No 834/2007 on organic production and labelling of organic products with regard to organic production, labelling and control, Article 45.

May 2019

Usage of non-organic seeds and seedlings in organic production
